Dear Parents

Only a week to go until another school year comes to a close – and what a wonderful year we have had. Next Friday will be the last day, we have started sending home various bits and bobs and generally clear things out and have a good tidy up. Over the weekend, could I ask that you have a search around at home and send back to school any things that might belong to the school, including all library books. There is going to be quite a lot of work and re-organisation happening over the holidays and I want to make sure that everything is allocated a space!

There will be works on the outside of the building – to be carried out by the county council – but lots will be going on internally so there might be quite a lot of comings and goings. Please could I ask that you make sure that no children are on site over the whole holiday – there will be contractors coming and going and the playground will be used as a car park for this period.

The School Council have requested a whole school picnic, as we did for the Queen's Jubilee, so the staff decided that the best day for this would be the last day of term – therefore every child will need to bring packed lunch on this day. Children will be registered after lunch and will need to be **collected at 1.30pm** when school closes.

Children are allowed to wear non-uniform on the last day. Over the past week the children have been watching the film, 'The Silent Child,' and have been learning some songs with sign language. Many of the children have been very touched by the film and there has been some suggestion of having a collection for a charity supporting deaf children. I think that this is a very thoughtful idea so if anyone would like to make a donation to the charity we will have a collection on the last day - children can still wear non-uniform, whether or not they have made a donation.

CHEDDAR TRIP

Many thanks to the PTFA for funding this year's school trip to Cheddar caves – it was a wonderful day, so relaxing and a really nice range of activities to watch and participate in. I have to say that the people running Cheddar were very accommodating and were very easy to work with – thank you very much to all involved!

REMINDER - TESCO BAGS OF HELP

Tesco Bags of Help Grant Scheme is to help provide outdoor play equipment for our primary school. This is currently running in Axminster and Lyme Regis Tesco stores during July and August 2018. Please support the PTFA and help us raise as much money as possible. Thank-you!

Lee White

Head of School
