

Road Safety

As part of road safety week, Kingfishers and Pipits have had an interactive session learning how to keep ourselves and each other safe on the road. We shared a class story about a Super Cat who taught us to:

stop look listen think

We have also watched a short video and began learning the staying alive song about keeping safe (which can be found here: <https://www.youtube.com/watch?v=KnwxN24E2yY>). After we had a little boogie we went outside and practised what we had learnt on the playground with real street sounds to help us remember to listen.
